The Birth Center

In the era of COVID, we're taking extensive precautions in our Birth Center to protect you and your baby, with the full resources of a hospital and doctors and care team as needed. We're committed to giving you the safest, most comfortable birth experience possible.

The birth of your baby is a deeply personal experience. We support you in giving birth your way. You want a safe, nurturing environment that allows you and your family to focus on this remarkable event as it unfolds. Our skilled providers offer supportive, compassionate care.

- Individual birth plan
- Private birthing rooms with whirlpool baths and beautiful views
- State-of-the-art infant security
- Family-friendly rooming-in policies
- Cesarean birth with partner in attendance
- Pediatric care at birth
- Lactation consultation and coaching
- Childbirth education

Clase Prenatal Para Latinos

Educación en español para el parto y lactancia materna. Llama a Rachel o Sharisse (intérpretes del hospital) al 507-646-1069.

Class Availability

Class sizes are limited and filled on a first-come first-served basis once payment is received. Class sizes are kept small to ensure a quality experience for expectant mothers, their birth partners and other class participants. Registration is per “couple” and is good for two people. Your spot in the class(es) is not guaranteed until payment is received and you have been sent a confirmation and receipt for payment. We would like our classes to be available to all interested individuals. If class cost is a concern, please call 507-646-1534.

Birth Planning Session

Birth Center information and a Birth Plan form can be found on our website at northfieldhospital.org or ask your OB provider. Birth Center staff will answer your questions, review your Birth Plan form, and identify your labor/parenting education needs. Call 507-646-1205 to schedule a planning session.
