Emergency Medical Technician Refresher Course (Renewal)  
***WEEKEND COURSE***

MARCH 2020

This 24-hour course will allow the participant to renew his or her Emergency Medical Technician registration and is designed to meet the requirements of the National Registry of Emergency Medical Technicians (NREMT) Emergency Medical Technician refresher. The curriculum is based on the National Highway Traffic Safety Administration National EMS Education National Continued Competency Program (NCCP) (2016).

Successful completion of this course will cover 20 hours of EMT NCCR, 4 hours of ICCR, and your BLS HCP CPR renewal certification.

This course is designed to meet the new EMT NCCP model as adopted by the EMSRB for the 2020 and 2021 recertification periods. **IMPORTANT:** If you have dropped your NREMT certification, you must complete the NREMT re-entry process. If you chose to forego your national certification, you can continue to be a state-certified EMT until 2026, at which time your EMT certification will sunset.

ATTENDANCE AT ALL CLASSES IS REQUIRED

Course Location: Most classes will be held at the Northfield EMS Station, 1600 Riverview Lane, Northfield, MN, 55057.

Cost: The cost is $300 (discounts available for affiliated agencies and hospital employees and their family members). All fees must be paid in full by the first night of class – March 20th, 2020. Cost includes tuition, handouts, and skills exam fees. Agencies can be invoiced.

Registration is required. No walk-ins will be allowed. Course size is limited, and registrations are handled on a first-come, first-served basis. A waiting list will be established if needed. A NON-REFUNDABLE Registration Fee of $50 is due by March 16th to secure your seat in class. If the Registration fee is not received by the 16th, your registration will be dropped to make room for other students. This fee counts towards your tuition fee.

Prerequisites (please read carefully): Students must be a current Minnesota Registered EMT.
