Advanced Medical Life Support (AMLS)
National Association of Emergency Medical Technicians

May 2022

Advanced Medical Life Support (AMLS): Advanced Medical Life Support (AMLS) remains the gold standard of education for emergency medical assessment and treatment. Endorsed by the National Association of EMS Physicians, AMLS emphasizes the use of the AMLS Assessment Pathway, a systematic tool for assessing and managing common medical conditions with urgent accuracy. This in-classroom course allows the student to obtain PHTLS certification upon successful completion of the course. This course results in 16 hours of continuing education for the Paramedic or EMT (CAPCE). For more information about PHTLS, visit the NAEMT website: https://www.naemt.org/education/amls
