

Prehospital Trauma Life Support (PHTLS) National Association of Emergency Medical Technicians

January 2023

NAEMT's Prehospital Trauma Life Support (PHTLS) is recognized around the world as the leading continuing education program for prehospital emergency trauma care. The mission of PHTLS is *to promote excellence in trauma patient management by all providers involved in the delivery of prehospital care*. This in-classroom course allows the student to obtain PHTLS certification upon successful completion of the course. This course results in 16 hours of continuing education for the Paramedic or EMT (CAPCE). PHTLS is developed by NAEMT in cooperation with the American College of Surgeons' Committee on Trauma. The Committee provides the medical direction and content oversight for the PHTLS program. For more information about PHTLS, visit the NAEMT website: <https://www.naemt.org/education/phtls>
